NILESH SANKADIYA

Computer Science Engineering Student

Phone: +91 9098153630 **Email:** sankadiya@gmail.com **Location:** Indore, MP, India

PROFESSIONAL SUMMARY

Motivated B.Tech Computer Science & Engineering student with a strong interest in software development, problem-solving, and core computer science concepts. Possesses practical skills in Python programming, C++, Java basics, and SQL database management. Possesses a solid theoretical foundation in Data Structures & Algorithms (DSA) and Object-Oriented Programming (OOPs). Eager to apply logical skills and academic learning in an entry-level software engineering or development role.

TECHNICAL SKILLS

Programming Languages

Python (Basic / Intermediate), C++, Java (Basics)

P ython | C++ | Java

Database Management

SQL (Structured Query Language), Relational Databases (MySQL)

SQL | MySQL | Q ueries

Core CS Concepts

Data Structures & Algorithms (DSA Theoretical Knowledge), Object-Oriented Programming (OOPs)

DSA | OOPs | Logic Building

LANGUAGES

- **Hindi:** Native / Full Professional Proficiency
- **English:** Intermediate (Working Knowledge)

EDUCATION

B.Tech in Computer Science & Engineering

Sushila Devi Bansal College of Engineering, Indore

Status: Pursuing (3rd Year)

CGPA: 6.34

CERTIFICATIONS & ACHIEVEMENTS

BGI Hackathon 2026

Active Participant

Participated in a competitive college hackathon focused on practical problem-solving and software development.

E-Commerce & Seller Certification

Certified Seller / Vendor Operations

Gained practical experience and certification in managing e-commerce platform workflows, listing, and digital selling operations.
